

ALBERTA MINOR MIDGET HOCKEY LEAGUE
SOUTHERN ALBERTA CONFERENCE

IMPORTANT NOTICE REGARDING GAME SHEETS

In past seasons we have experienced difficulty with the receipt of the game sheets in a timely fashion. Please assist us in this activity by adhering to the following practice.

It is the responsibility of the Home Team to ensure that the game sheet and any Incident Reports are faxed as noted below:

	SAC President
Game Sheet	Within 24 hrs of a game being completed 1 403 342 4080
Incident Report	Within 24 hrs of a game being completed 1 403 342 4080

All original game sheets and incident reports are to be mailed to:

- **AMMHL - SAC, c/o 3301 – 44A Avenue, Red Deer, Alberta T4N 3J6**

All managers are to ensure that the volunteers selected to complete the game sheet do so in a manner that ensures they are eligible and accurate. **Guidelines for their completion are on the following laminated pages.** Please ensure your volunteers are aware of the required procedure.

If you are using pre-printed player lists on the game sheet please ensure that you identify your starting goaltender so that the statistician can record their participation in a game.

The preparation of statistics is very time consuming and would be assisted if teams would not switch player jersey numbers after the start of the season.

THANKS FOR YOUR ASSISTANCE

SUBJECT: GAMESHEETS

As Minor Officials, you are an important part of every game. Clarity and brevity are important, we ask you to please print clearly and fill out the game sheets by using the following guidelines:

1. Game sheets must be completed in blue ballpoint pen. Press firmly to ensure that all copies are clearly legible.
2. Please make sure the date, teams playing, game number, etc. is filled in.
3. Have teams PRINT both first and last names.
4. Captain and Alternate Captains should be designated.
5. All Affiliate players must be marked by the designation AP.
6. Times listed should be clock time, not the amount of time played.
7. Please mark the type of goal in the appropriate column. (eg: EV, PP, SH, EN)
8. Please be sure to fill in the saves (shots stopped), minutes played and goals against for each goaltender. Please be aware of goaltender changes.
9. Please make sure that all penalties are filled in properly with the correct sweater number (#) of the player receiving, player serving. Additional automatic penalties such as a 10 minute Misconduct or Game Misconduct – these must be placed on a separate line.
10. Please see attached list of abbreviations for penalties.

Please be sure that the game sheet is properly filled out and signed by the Game Officials before it is distributed to the teams.

Thank you in advance for your help in making the league statistics accurate
