## *Board of Director Code of Conduct*

If players are to grow and develop in their sport or physical activity, and environment of positive communication and respect must exist.

Board of Directors should observe the following Code of Conduct:

- I will support and adhere to the Code of Conduct outlined for coaches, managers, and players.
- I will encourage good sportsmanship among coaching staff and players.
- I will refrain from using inappropriate language at meetings and at ball practices/games. I will not harass other Board members, athletes, coaches, officials, or other spectators. I understand that I represent the Athabasca Minor Ball Association, and as a result, I must behave in an appropriate manner.
- I will encourage coaching staff to teach the league rules and regulations to the players on their teams. I will provide them with appropriate materials to aide them in doing this.
- I will help to provide and encourage educational opportunities or players, coaches, team managers, and umpires whenever possible.
- I will encourage players and coaching staff to respect the rights of other players, coaches, fans, and officials.
- I will have respect for other Board members and their points of view. I will share my viewpoints with Board members at meetings.
- I will decline giving comments to the media regarding Board-related issues or the Athabasca Minor Ball Association as a whole.

I agree to Play Fair.

\*Please sign on the attached page if you agree to abide by the above Code of Conduct.
