CANSKATE (Ages 4 and up)

Canskate is Skate Canada's flagship learn-to-skate program. Skaters must be able to skate independently to qualify for this program. Canskate focuses on fun, participation, and basic skill development. All classes are taught in a group format and are led by an NCCP certified professional coach. Skaters progress at their own pace in a progressive and sequential badge program. Canskate is an excellent starting point for children interested in pursuing Figure Skating, Hockey, Ringette, or have an interest in acquiring basic skating skills. Canskate is a 45minute on ice group class. There are 7 different levels in the Canskate Program and skaters will receive badges for each level. No fundraising requirements for this program!
