

Member of Parliament, Mark WARAWA

Dear Players and Family Members,

Congratulations on signing the Respect pledge, a first in Canada.

As representatives of Langley on the sports field, you make us all proud with your commitment to respect the rules of fair play and sportsmanship. The values that you bring to the game you will also bring to all areas of your life.

Parents, you are to be congratulated too for instilling those values in your children by modelling good behaviour. You are always their first and best example of how to as they learn and grow.

Langley is leading the way in building the best kind of sports teams—the kind that, win or lose, still plays the game the way it was meant to be played.

Again, congratulations on taking this important pledge of good character.

Sincerely,

Mark Warawa

Member of Parliament, Langley

Parliamentary Secretary to the Minister of the Environment

Langley City Mayor Peter Fassbender

Congratulations from Langley City – I'm proud of how our Langley athletes represent our community across the province and Canada and even overseas. Good manners and good sportsmanship make good communities.

Township of Langley Mayor Rick Green

August 20, 2010

“It is wonderful to see so many young people who are not just interested in staying active and learning about teamwork and sportsmanship through soccer, but are pledging to be the best people they can be by showing respect to those around them.

Respecting others through your attitude, words, and actions helps make the world a better place for everyone, and sets an example for people of all ages to follow.

On behalf of Township of Langley Council, congratulations to the Langley United Youth Soccer Association for supporting these young people, who are ambassadors for our community on and off the field. As well, congratulations to the children, parents, and coaches who are the first in Canada to sign the Respect Pledge for a Winning Team. Your efforts and attitude make us all proud!”
