

Dear Sirs & Madams of the Spruce Grove Minor Hockey Association,

I would like to offer a unique fundraiser that is simple and worth your time. Everyone loves candles so why not offer family and friends something that they use every day.

Scentsy has become the 'Hottest New Thing in Candles," and also the hottest new thing in fundraising. Scentsy is an authentic wickless candle that is soot-free, smokeless, flameless, and most importantly; safe to use around children and pets. A small light bulb in the center of a Scentsy warmer is all that is needed to deliver wonderful fragrance. Discover how fun, easy, and profitable a Scentsy fundraiser can be. Scentsy products are simple, beautiful, and safe alternatives to candles. Customers may choose from unique warmers, Scentsy Buddy's for the young at heart, plus a collection of 80 different fragrant Scentsy bars, scent circles, room sprays, and now perfumes. With Christmas sneaking up around the corner there's no better time to for a Scentsy fundraiser.

I am committed to giving you a first class fundraiser with the safest alternative to candles, excellent customer service along with our high-quality product guarantee. Please go to my website listed below to see my catalogue in the browse section to get an idea of what Scentsy looks like. If your group is ready to start your fundraiser with Scentsy, please contact me to set your date and receive your packets for free. I'd be happy to give you a kit of some of our scents for you to smell and share.

If you have any questions or want to set your fundraising date, please let me know. Thank you for taking the time to read my proposal, I look forward to hearing from you soon.

Sincerely,
