**Absent:** Jeremy Rondeau and Wade Lacher.

### **2. Topic of Discussion: Legionnaires and Female Novice**

- Following an SCMHA Executive meeting decision regarding limiting the Female Novice teams to one overnight tournament as per our Rules and Regulations, SCMHA received some e-mails addressing this issue. They were very well written and gave the Board some additional information and back ground on the reasoning behind their original request. Based on this new information, the Board brought their request to the table once more. ***A motion was made to allow both Female Novice teams to attend 2 overnight tournaments for the 2011-2012 season/2<sup>nd</sup>/carried.*** The earlier decision to not allow AP'S straight across between the 2 teams still remains unchanged. The Board felt that they want to keep the rules between co-ed and female equal, but at the same time, after some research, found that there were no "day tournaments" to attend like the co-ed teams do.
- The Board also addressed the situation with the Legionnaires. Following the one-month suspension of the Legionnaire coach the Asst Coach for Legionnaires, resigned. For the interim<sup>3</sup> local coaches will be helping out on the bench until the Board can find a replacement/s. SCMHA have had many discussions with the coach on the situation and are in the process of finding him some help as far as coaching staff as well as help on the team for other jobs. The Board wants this situation resolved asap for the players sake as well as the coach. SCMHA will respond to the parents of the team.
- *A motion was made to adjourn.*
